EXPERIENCE

EMBER LAB | "KENA BRIDGE OF SPIRITS"
ANIMATOR | SEP 2019 – MAR 2021

- Animated CG biped and creature animation for enemies, NPCs, and the player character
 - Utilized Unreal Engine to import animations, create pre-visualization, and provide some technical NPC work
- Provided feedback through play testing and assisted in fixing various game bugs throughout the project

FREELANCE ARTIST
2014 – PRESENT

- Crafts detailed storyboards and animations for various projects, including short films, video games, and commissions
- Paints illustrations for published book and album covers, t-shirts, and zine work
- Designed an arcade machine and storyboarded sequences for a feature, "When Jeff Tried To Save the World"

CHAPMAN UNIVERSITY

DIGITAL ARTS LAB ASSISTANT | SEP 2017 – MAY 2018

- Maintained the upkeep of 75 computers, as well as building maintenance and cleanliness
 - Solved technical issues for professors, students, and staff
 - Created tutorials, answered phone calls, and assisted guests
-
